SUPPLEMENTAL NOTICE OF TORT CLAIM

Re: Christine Dodson

Dear Mr. Karns:

This letter is Christine Dodson's supplemental notice of tort claim concerning the defamatory statements recently made about Ms. Dodson by City officials. The circumstances of those claims are detailed in the attached letter, which I sent to the City Attorney Lohman yesterday. Absent an immediate and complete correction, as I requested of Mr. Lohman, Ms. Dodson intends to file a lawsuit concerning this conduct to compensate her for the harm it has caused.

Please contact me with any questions or concerns whatsoever.

Very truly yours,

Christopher Lundberg
